SNOW REMOVAL TIPS 'N HINTS

Winter's fury hit the Copper Country early this year with big snows. The City of Hancock reminds all property owners about the laws related to snow removal.

Please keep our
city fire hydrants
cleared of snow.
Click on the
QR Code below
for more infor-
mation for snow
removal.

- Keep sidewalks clear of snow for pedestrian safety
- Keep intersections clear of snow for vehicle safety
- Do not plow snow into the streets
- The City of Hancock will issue tickets for code violations.

Click on the QR Code to the left for more information regarding the State of Michigan vehicle code. We hope this information is helpful about snow plowing. Don't hesitate to reach out to the City of Hancock if you have any questions at 906-482-2720.
